

provisions of Section 15A(b)(4)³ of the Act, which requires, among other things, that the Association's rules be designed to assure a fair representation of its members in the administration of its affairs. The NASD believes that the proposed rule change enhances the Association's ability to assure fair representation in that it provides the NASD with the discretion to increase the size of its subsidiary boards to allow representation of additional constituencies while preserving the fundamental compositional requirements of those boards.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASD represents that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The NASD has neither solicited nor received comments on the proposed rule change.

III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to File No. SR-NASD-99-10 and should be submitted by March 5, 1999.

³ 15 U.S.C. 78o(b)(4).

IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

The Commission finds that the proposed rule change relating to amending the composition of the NASD Regulation and Nasdaq boards is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association. Specifically, the Commission believes the proposal is consistent with the Section 15A(b)(4)⁴ requirements that the Association's rules be designed to assure a fair representation of its members in the administration of its affairs.⁵ In particular, the Commission notes that the NASD has not altered the balanced composition of each subsidiary board.

The Commission finds good cause for approving the rule change prior to the thirtieth day after the date of publication of notice thereof in the **Federal Register**. The Commission believes that accelerated approval will facilitate the formation of the NASD subsidiary boards in a manner that will better represent the constituencies' presence on the NASD parent board.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (File No. SR-NASD-99-10) is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Margaret H. McFarland,

Deputy Secretary.
